BRIEF ABSTRACT OF LETTER

Submits an amendment to the bye-laws issued under clause (2) of section 48 of the Ind Ref^s VII of 1906, relating to the registration of bicycles, tri-cycles & motor vehicles.

of the Municipality as may be necessary to ascertain their respective liabilities to any tax imposed thereon and the additional bye-law now proposed is outside the scope of the above bye-laws.

3 Under the old Mt Ref^s, the burden of registering animals & vehicles lay on the owners on pain of prosecution & the President of the Mt Council, Bangalore City suggested in the Adm^t Report for 1910-11 that this provision of law should be removed. Govt observed that no change in the existing law was necessary as under the bye-laws issued under clause (2) of Sec 48 of the Mt Ref^s, the Mt Council may enforce the supply of information as to a person's liability to pay the above taxes & that by a proper and systematic arrangement information may be obtained from the scavengers by serving notices if necessary & that the tax imposed may be

collected by the authority along with the house & other taxes. If the owners of Vehicles are to be made liable for registering their vehicles, provision has to be made in the Rev. Reg. VII of 1906 for enforcing such registration. However though metallic discs are proposed to be issued to owners of cycles &c free of cost, yet they cost the Govt. a substantial sum as a metallic disc separately numbered & dated will have to be issued to the owner of each vehicle twice a year, as the taxes under the Reg. ~~are~~ ^{being} payable half yearly in advance. So in the case of a bicycle, the vehicle tax per year is Rs 3/- while at least 8 annas or 16 p of the revenue has to be spent in the issue of metallic discs or in other words for the collection of the tax. The exact cost of the metallic disc ready for issue, is not known.

The bye-law framed by the Bangalore City Municipality is on the lines of the one now in force in the C.A. in Station of Bangalore, and purports to be under Sec 48 (j) of the Munda Regs. The Mysore City Munda Council however propose to frame their bye-law under Sec 48 (w). It is however submitted that there is no specific provision in the Mysore Munda Regs of 1906 enabling the Munda Councils to frame bye-laws of the kind under reference just as there is

have amended their Regs of 1907 by inserting
a specific provision, evidently on the
ground that the said general provision

The Municipal law in Madras City & the C.M. M. Bangalore contains specific provisions enabling the M.C. Council to frame the bye laws in question. But there is no such provision (vide Sec 150 d (3) of the Madras M. Act & Sec 137 d (1) of the M.L. of Bangalore Cantonment). There is no such provision in the M.L. Regn of 1906. of the Mysore City Municipal Council
In my opinion neither cl (g) nor

not be ultra vires, that is to

In the constitution of
Bangalore it was found
necessary to add cl IX to the

similar to the one now framed
by the Bangalore & Mysore
City Municipal Councils could
be made & the reason is
obvious viz that without such
a statutory provision the bylaw
would be ultra vires & invalid -

CERTAL No. Sir <i>5</i>

I have the honour to submit herewith, for favour of approval of Government, a draft amendment to clause 2 of By-laws relating to the regulation of animals and vehicles sanctioned in Government Proceedings No. 4102-3/M1.555-07 dated the 28th November 1911. *y*

2. As the existing practice of registering motor vehicles bi-cycles and tri-cycles has been found to be not satisfactory, and as a large number of such vehicles in the City are escaping registration with no easy means of detection, the amendment in question was proposed with a view to enforce the necessity for affixing the register number on the vehicle. Both for the sake of convenience to the owners of those vehicles, as also, to facilitate the work of detecting the unlicensed conveyances at a glance, it is proposed to issue a metallic disc by the Municipality, free of cost, bearing the registered No. of the vehicle to be affixed thereto by the owners.

3. The above procedure is in conformity with the system in force in the Madras Municipality and the same has been adopted by the Civil and Military Station Municipality also. The Municipal Council, at its Meeting of the 29th June 1912, passed the amendment. No objections to the amendment, which were called for under Section 48(2) of the Municipal Regulation, have been received. A copy of the Council's Resolution is herewith submitted together with that of the notice referred to in Section 48(2) of the Regulation.

4. As the proposed device of numbering the vehicles in

question would tend to minimize the tendency of the owners thereof to evade taxation, the favour of very early sanction to the draft amendment is requested.

I have the honour to be

Your most obedient servant,

President.
